

ISC3 CORPORATE CHALLENGE

Call for Partners

The ISC3 Innovation Hub is looking for an Industry partner to launch the second ISC3 Corporate Challenge on Sustainable Chemistry!

About

The ISC3 Corporate Challenge is the first Sustainable Chemistry Corporate Challenge with the aim to **match industry partners and start-ups based** on unique industry calls in the chemical or chemical-related sector.

The goal is to find tailored-made solutions to critical problems, promote innovation and accelerate Sustainable Development.

Partner's responsibilities

- Choose a Sustainable Chemistry topic. (waste management, energy, dyes, agriculture, food, personal care products)
- Choose a prize! (cash awards, lab access, joint projects... etc.)
- Lastly, select the winners!

What are you waiting for?

Be part of the change and become an ISC3 Industry Partner.
